Dear Dr. Lederberg,

It is our pleasure to invite you to participate in the Eighth International Conference on the Unity of the Sciences to be held on November 23-25, 1979, at the Century Plaza Hotel in Los Angeles. The theme of this year's Conference is "The Responsibility of the Academic Community in the Search for Absolute Values." There will be 400 scholars and scientists representing 60 nations in attendance.

Enclosed you will find some preliminary information on the Conference. Needless to say, the issues this Conference raises are of great importance for mankind. You have been especially recommended to participate in this Conference, and we sincerely hope that you will give serious consideration to our invitation.

You and your spouse are cordially invited to arrive at the Century Plaza Hotel at 1:00 P.M. on Thursday, November 22nd, to share Thanksgiving Dinner and all official meals with us, and to remain until 1:00 P.M. on Monday, November 26th, as the guest of the International Cultural Foundation, the Conference sponsor. In addition, roundtrip, economy travel fare for you and your spouse will be provided in return for your participation.

If you are planning to attend, please let us know as soon as possible, as well as what topics are most interesting to you. If you feel you need more details before you can make a decision, please wait until you receive more complete information and a formal response form. In the meantime, if you should have any questions at all or if we can be of service to you in any way, please do not hesitate to let us know.

With Warmest Regards,

Sincerely yours,
